

Dear Parents,

The following 13 dates have been scheduled for Sunday, Session (A) classes, meeting from 10:15-11:45 a.m.

Our goal at St. Pat's is to provide your children with a safe, welcoming atmosphere which is conducive to Learning and Faith Sharing. Our attendance policy is based on rapport and comfort; we ask you to make every effort to have your children attend all sessions. The more classes a child attends the more he/she will feel confident and willing to share in discussions and prayer. The program is more effective when children are exposed to all the Lessons, attends Mass and participates with his/her family in other Parish Events.

To ensure that your children are getting the best religious education provided, I have included the Chapters taught for each class in the schedule below. Note: The chapters are combined by theme, not as they appear in the book. **If your child is absent or classes are cancelled due to inclement weather, children are to complete the missed lesson (including review) at home with the help of a parent/ guardian, so they are prepared for the next lesson. Catechists will take attendance and keep record of the lessons completed at home. The Chapters listed below must be completed before the last class to ensure the children are prepared for advancement. Each year the children will be introduced to new prayers which need to be practiced and learned at home.**

All are welcome to attend the Special Events held on Tuesdays and our Parish-Wide Gatherings listed below the schedule.
