

St. Patrick Lenten Events 2010

1st Week of Lent: Discern

Jesus prepared for his ministry by fasting in the desert and rejecting the temptation to settle for less than God's will. In our busy lives, let us find that quiet place within to discern our own mission and the personal gifts that God has given us to make this "mission possible."

Lenten Cross Project Mission Possible

We are inviting the St. Patrick Parish community to try something different this Lent—instead of giving something up, we invite you to take something on by making a commitment to engage in a positive act of service, advocacy, or prayer. During Lent, as a reminder of your personal mission, please take home a small cross magnet, which will be located in a basket at the church’s main entrance by the Lenten Cross. Additional information, a list of suggested activities, is available in the Parish Center and on our website:
